

HURRICANE PREPAREDNESS CHECKLIST

1

MAKE A CHECKLIST

It is important to be prepared in case a storm hits. Tips for planning & checklists can be found through many sites.

<https://ready.gov/>

2

PREPARE AN EVACUATION PLAN

Build your own customized family, business, and specialty plan today. To get started visit

<https://www.floridadisaster.org/planprepare/make-an-evacuation-plan/>

3

USEFUL REMINDERS

Review your home insurance policy & keep these documents in a safe place.

Keep your car fully fueled. Stock up on water & non-perishable food for you & your pets, medicine, flashlights, and batteries.

4
